1. The Respondent owns and operates a public water supply at 1020 North Main Street in Winters, Runnels County, Texas (the "Facility") that has approximately 877 service connections and serves at least 25 people per day for at least 60 days per year.

2. During a record review conducted on October 14, 2013, TCEQ staff documented that the running annual average concentrations of total trihalomethanes ("TTHM") were 0.094 milligrams per liter ("mg/L") for the fourth quarter of 2011, 0.118 mg/L for the first quarter of 2012, 0.120 mg/L for the second quarter of 2012, 0.172 mg/L for the third quarter of 2012, 0.154 mg/L for the fourth quarter of 2012, 0.135 mg/L for the first quarter of 2013 and 0.106 mg/L for the second quarter of 2013.
3. The Respondent received notice of the violations on January 22, 2014.
4. The Executive Director recognizes that the Respondent transitioned from Stage 1 Disinfectant Byproduct monitoring to Stage 2 Disinfectant Byproduct monitoring on October 1, 2013.

II. CONCLUSIONS OF LAW

1. The Respondent is subject to the jurisdiction of the TCEQ pursuant to TEX. HEALTH & SAFETY CODE ch. 341 and the rules of the Commission.
2. As evidenced by Findings of Fact No. 2, the Respondent failed to comply with the maximum contaminant level ("MCL") of 0.080 mg/L for TTHM, based on the running annual average, in violation of 30 TEX. ADMIN. CODE § 290.113(f)(4) and TEX. HEALTH & SAFETY CODE § 341.0315(c).
3. Pursuant to TEX. HEALTH & SAFETY CODE § 341.049, the Commission has the authority to assess an administrative penalty against the Respondent for violations of the Texas Water Code and the Texas Health and Safety Code within the Commission's jurisdiction; for violations of rules adopted under such statutes; or for violations of orders or permits issued under such statutes.
4. An administrative penalty in the amount of Four Hundred Five Dollars (\$405) is justified by the facts recited in this Agreed Order, and considered in light of the factors set forth in TEX. HEALTH & SAFETY CODE § 341.049(b). Four Hundred Five Dollars (\$405) of the administrative penalty is deferred contingent upon the Respondent's timely and satisfactory compliance with all the terms of this Agreed Order and shall be waived only upon full compliance with all the terms and conditions contained in this Agreed Order. If the Respondent fails to timely and satisfactorily comply with any requirement contained in this Agreed Order, the deferred amount of the administrative penalty shall become immediately due and payable without demand or notice, and the Executive Director may require the Respondent to pay all or part of the deferred administrative penalty.
